# SWING

GET IN THE SWING!

If you enjoy the outdoors you will know that comfort is an essential after a long day of exercise or play. The Swing understands this. A big, comfortable island bed, a generous dinette area, a big fridge freezer for food and your favourite beverages and a general light and spacious feel to the entire interior. Outside is no different. A fold down kitchen with plenty of work space, lighting and a lockable front storage hatch for sports gear and odds and ends.
