

Sprite Tourer South Africa's **FIRST true**  
**GRAVEL ROADER**

**Now you can have  
the best of all worlds**

A caravan that can take the back roads  
without having to invest in a 4X4 off-roader with  
stiff suspension and heavy construction.

What you get is a suspension better suited to  
more uneven surfaces and a bigger tyre size  
plus more robust insulation against dust.
